Dedicated to driving success through innovative problem-solving and strategic initiatives, aligning with Disney's mission and vision.

Experience

JULY 2023 - PRESENT

Mechanical Apprentice | The Walt Disney Company

- **Maintained comprehensive repair records:** Documented and updated detailed repair logs for fleet vehicles and attractions using Maximo, enhancing transparency and efficiency in maintenance processes.
- **Executed repairs:** Conducted thorough repairs on a variety of fleet vehicles and attractions, ensuring optimal performance and safety standards.
- **Provided accurate parts quotes:** Delivered precise parts quotes to management, supporting informed decision-making and adherence to budget constraints.

MARCH 2023 – JULY 2023

Pool Attendant | The Walt Disney Company

- **Ensured safety and compliance:** Meticulously documented pool readings and maintained optimal water conditions, adhering to regulatory standards and ensuring guest safety.
- **Monitored pool equipment:** Regularly inspected and maintained pool equipment to ensure proper functioning and prevent potential hazards.

MARCH 2022 – MARCH 2023

Greenhouse Manager | AgriStarts

- **Supervised greenhouse operations:** Managed the operations of two greenhouses, totaling 60,000 square feet, ensuring optimal plant health and growth.
- **Implemented cost-effective schedules:** Developed and executed budget-friendly pesticide spray schedules, maintaining plant health while controlling costs.

- **Maintained regulatory compliance:** Recorded and maintained detailed documentation on plant conditions and treatments, ensuring compliance with USDA regulations.
- **Led a dedicated team:** Provided leadership and training to greenhouse staff, fostering a productive and knowledgeable workforce.

JULY 2021 – JULY 2022

Housekeeping Coordinator | The Walt Disney Company

- **Trained and supervised staff:** Provided comprehensive training in HotSOS and delivered constructive feedback to cast members, ensuring high standards of cleanliness and efficiency.
- **Managed room cleaning schedules:** Effectively prioritized and managed room cleaning schedules to accommodate guest needs and ensure optimal room readiness.
- **Maintained detailed records:** Kept accurate documentation of housekeeping activities and room statuses, ensuring transparency and accountability.

MARCH 2018 – JULY 2021

Multimedia Tech II | Baptist Health South Florida

- **Supported executive operations:** Provided technical support for executive presentations and meetings, troubleshooting and optimizing audiovisual equipment to ensure seamless operations.
- **Enhanced hospital efficiency:** Improved the efficiency of hospital operations by optimizing the reservation systems used for booking conference rooms.
- **Developed user guides:** Created detailed user guides for media equipment, streamlining usage and reducing downtime.
- **Managed multimedia equipment:** Maintained and managed multimedia equipment inventory, ensuring all devices were in optimal working condition.
- **Collaborated with IT teams:** Worked closely with IT and other departments to implement new technologies and improve existing systems.
